

University of Florida
College of Public Health & Health Professions
PHC 4101: Public Health Concepts (3 credits)
Summer B 2021
Delivery Format: Online
Course Website or E-Learning

Instructor: Brittney N. Dixon, PhD, MPH, CPH, TTS

Email Address: brittneyndixon@ufl.edu

Office Hours: By appointment

Office Location: HPNP, room 3113 (3rd Floor)

Office Phone Number: 352-273-6068

Teaching Assistant(s): Cary Carr, MPH

Email Address: caryllynnlove@ufl.edu

Office Hours: By appointment

Preferred Course Communications (e.g., email, office phone): Direct email (brittneyndixon@ufl.edu) through Outlook email. This is the preferred method of communication, not the message function within Canvas. Emails received on weekdays (Monday-Thursday) can expect a response within 24 to 48 hours. If I have not responded within two days, please contact me again. Your message is important to me, but it may have been overlooked. Emails received during the weekend or after 5pm on Friday will be answered by 2pm on the following Monday.

Prerequisites

(BSC 2007 or BSC 2005 or BSC 2010) and PSY 2012 and STA 2023 and (health science or communication sciences and disorders or public health majors or health science or public health minors).

PURPOSE AND OUTCOME

Course Overview

This is a 3-credit course that will be conducted online. This is an upper-level course intended to introduce undergraduate students in a variety of disciplines to the basic tenets and applications of public health, including integrating public health with other health professions. This course explores the Nation's health challenges, the scientific basis of the public's health in the United States, and current strategies for advancing the public's health.

The student will gain knowledge through lectures, readings, group work, and individual assignments.

Please note: Because this is a Summer B course (6 weeks instead of 16 weeks), this course will run much quicker than a course in the Fall and Spring. You are expected to keep up with this pace.

Relation to Bachelor Program Foundational Domains

1. Describe the history and philosophy of public health as well as its core values, concepts, and functions across the globe and in society

2. Explain the concepts of population health, and the basic processes, approaches, and interventions that identify and address the major health-related needs and concerns of populations
3. Examine socio-economic, behavioral, biological, environmental, and other factors that impact human health and contribute to health disparities
4. Identify the fundamental concepts and features of project implementation, including planning, assessment, and evaluation
5. Review the basic concepts of legal, ethical, economic, and regulatory dimensions of health care and public health policy, and the roles, influences and responsibilities of the different agencies and branches of government
6. Differentiate between the basic concepts of public health-specific communication, including technical and professional writing and the use of mass media and electronic technology

Course Objectives and/or Goals

Upon successful completion of the course, students will be able to:

1. Describe public health history, philosophy and values
2. Examine the important role of the five core concentrations and cross-cutting disciplines of public health (e.g., Epidemiology, Biostatistics, Social & Behavioral Sciences, Health Policy and Management, and Environmental Health, Health Disparities, and One Health)
3. Identify and list the core functions of public health and the 10 Essential Services
4. Identify appropriate methods for assessing the determinants of health
5. Differentiate between quantitative and qualitative methods and sciences in population health
6. Explain the effects of environmental factors, biological and genetic factors, and behavioral and psychological factors, and socioeconomic factors on a population's health
7. Discuss health disparities and identify known health disparities in the US and globally
8. Discuss major causes and trends of morbidity and mortality in the US, specifically marginalized populations
9. Identify and explain the science of primary, secondary and tertiary prevention in population health, including health promotion, screening, etc.
10. Summarize the current concerns in the U.S. health care system and the role health policy plays
11. Give examples of how globalization affects global burdens of disease
12. Recognize the connections among human health, animal health and ecosystem health (e.g., One Health)
13. Explain how mass media can impact our perception of health via the use of social media
14. Establish the critical importance of evidence in advancing public health knowledge

Instructional Methods

- 1) Lectures: are for general orientation. Students are responsible for all the material presented in the course and assigned readings.
- 2) Readings and Resources. In addition to the lectures, supplementary readings and resources will be posted in the course. The reading and resource list may be supplemented during the course.
- 3) Discussions: Students are expected to participate in discussion boards throughout the duration of this course. Grades will be assigned based on accuracy, depth, and thoughtfulness of content.
- 4) Assessments: A variety of assessments will be used in this course, including but not limited to assignments, quizzes, and projects.

Announcements

Class announcements will be sent via the announcement tool in eLearning. Depending on your CANVAS notification settings, you may or may not be notified via email. **You are responsible for all information in these announcements whether or not you see them in your email.**

What is expected of you?

You are expected to actively engage in the course throughout the semester. Your participation fosters a rich course experience for you and your peers that facilitates overall mastery of the course objectives.

For every 1 credit hour in which you enroll in an undergraduate course, you will spend approximately two to three hours outside of class studying. For a three credit hour Summer B undergraduate online class, a student should expect to spend 12-18 hours studying per week.

DESCRIPTION OF COURSE CONTENT

Required Textbook: Mary-Jane Schneider (2020). Introduction to Public Health (6th edition). Burlington, MA: Jones & Bartlett Learning. ISBN -13: 978-1284197594 or ISBN-10: 128419759X. You also have the option of using the 5th edition of the book (ISBN-13: 978-1284089233 or ISBN-10: 1284089231). This course participates in the UF All Access program. Login at the following website and Opt-In to gain access to your required course materials - <https://www.bsd.ufl.edu/AllAccess> - UF All Access will provide you with your required materials digitally at a lower cost and the charge will be applied to your student account. This option will be available starting 1 week prior to the start of the semester and ending 3 weeks after the first day of class.

Course Materials and Technology

- Additional readings may be provided in the weekly modules as identified by the Instructor.

For technical support for this class, please contact the UF Help Desk at:

- Learning-support@ufl.edu
- (352) 392-HELP - select option 2
- <https://iss.at.ufl.edu/help.shtml>

ACADEMIC REQUIREMENTS AND GRADING

Syllabus/Academic Integrity Quiz (0% of grade but required to unlock course content): You are asked to complete a brief quiz on the syllabus and academic integrity prior to unlocking the course content on Canvas. *Please review the syllabus, course overview, and the academic integrity materials before completing the quiz.* **NOTE:** While this quiz is ungraded, you must receive a 100% to unlock course materials. You will **NOT** be able to access course materials without passing the quiz. Students are **required** to print a copy of the syllabus from the syllabus tool in the course. Please continue to monitor Canvas for the updated course syllabus.

Introduction Infographic (2% of Final Grade): During the first week of class, you will create an infographic introducing yourself to your classmates.

Discussions (24% of Final Grade): You will be required to participate in three discussion posts during the semester. Each discussion is worth 8% of your total grade. If you are required to post on the discussion board, it will be indicated within that week's announcement or you will see it within the course calendar. You must post at least twice to each discussion board unless otherwise indicated in the assignment description. Active participation in the online discussions helps create a learning community and encourages peer interaction, presents different perspectives, and challenges ideas. Each student is required to make one original post to the questions posed in the discussion board. Your response to the two other students' posts should be thoughtful and should further promote the conversation. Original posts and replies should be thoughtful and comprehensive, therefore it is expected that students cite material using APA 7th edition provided from the lectures and readings, as well as outside materials if appropriate.

- **Discussion 1:** Health Policy and Management post (Week 4)
- **Discussion 2:** Environmental Health (Week 5)
- **Discussion 3:** Global Health, One Health, and Health Communications (Week 6)

In order to receive credit, you must post your response to the posted discussion board questions by Wednesday at 11:59pm ET. In addition, you must post a response to two other students' posts by Friday at 11:59pm.

Your grade on the discussion board is based on participation. Each discussion board assignment is worth 25 points. However, in order to received full credit for these posts, you must follow these guidelines:

- Posts should be a between 225-250 words
- Posts should be relevant to the topic being discussed but should also attempt to introduce a new point of view or piece of information or otherwise further the discussion.
- Posts should use correct grammar, punctuation and vocabulary appropriate for a university-level course.
- When applicable, posts, must cite material using **APA 7th edition**.

Quizzes (20% of Final Grade): There will be six quizzes covering course lectures and readings. Each quiz is worth 3.33% of your total grade. Questions will generally be multiple-choice in format, but might also include true/false, matching, short answer, and other similar formats.

Assignments (24% of Final Grade): There will be three assignments that should be done independently. Each assignment is worth 8% of your total grade. These assignments will cover a range of topics and themes to measure your knowledge of the content. Follow the instructions carefully for each assignment within the Canvas course site. Rubrics for each assignment will be provided within Canvas.

- **Assignment 1:** 10 Great Public Health Achievements – Intro to PH module (Week 1)
- **Assignment 2:** COVID-19 (Week 2) – Epi/Biostats
- **Assignment 3:** Social-Ecological Model Case Study (Week 3) – SBS

“Public Health Expert” Final Group Project (30% of Final Grade): The final project will be completed as a group assignment. Students will be placed into groups and must select a public health topic (e.g., diabetes, obesity, COVID-19) using Healthy People 2030. Each student should select their concentration (i.e., Epidemiology, Biostatistics, Social & Behavioral Sciences, Health Policy and Management, or Environmental Health), in which they will be considered the “expert” in that particular concentration area. Each expert will provide a **brief** analysis of their public health topic. Groups should assess the public health topic's current status (e.g., providing statistics for this particular topic), barriers impacting the ability to achieve universal wellbeing and health for all populations (e.g., economic, racial/ethnic barriers), previous interventions or treatments that have

shown to be effective, etc. Though you are each responsible for your section of the paper, the paper should be written cohesively. Each public health concentration should be 1-2 pages in length.

Based on the information you and your team provide in your analysis, you will propose a strategy/brief intervention to solve or reduce the burden of the public health problem. You will have a budget of \$50,000 from the Florida Department of Health in Alachua County. You can be as innovative or creative as you would like. While there are no guidelines, you must target at least one level of the Social-Ecological Model within your proposed intervention. For example, targeting obesity at the individual level by developing a program that teaches adults about nutrition and a healthy diet. You are expected to describe your program or intervention, provide planning and implementation details, and include a brief plan on how the intervention will be evaluated. The strategy/intervention should be 1-2 pages total in length.

- Paper Topic Selection (Week 1)
- Epidemiology & Biostats Snapshot (Week 2)
- SBS Snapshot (Week 3)
- Health Policy and Management Snapshot (Week 4)
- Environmental Health Snapshot (Week 5)
- Final Group Project (Week 6)

Grading

Requirement	Due date	Points / final grade
Syllabus Quiz	Week 1 to unlock course	-
Introduce Yourself Infographic	Week 1 Due Thursday, 7/1 @ 11:59 PM EST	10
Discussions/Participation (3)	Ongoing	25 pts each
Module Assignments (3)	Ongoing	50 pts each
Module 1 Quiz	Due Friday, 7/2 at 11:59 PM EST	25 pts each
Module 2 Quiz	Due Friday, 7/9 @ 11:59 PM EST	25 pts each
Module 3 Quiz	Due Friday 7/16 @ 11:59 PM EST	25 pts each
Module 4 Quiz	Due Friday 7/23 @ 11:59 PM EST	25 pts each
Module 5 Quiz	Due Friday 7/30 @ 11:59 PM EST	25 pts each
Module 6 Quiz	Due Friday 8/6 @ 11:59 PM EST	25 pts each
Final Project	Due Thursday 8/5 @ 11:59 PM EST	200 pts total
Total Points		585 pts

Point system used (i.e., how do course points translate into letter grades).

Letter Grade	A	A-	B+	B	B-	C+	C	C-	D+	D	D-	E
Points earned	585-545	540-530	525-510	505-490	485-470	465-450	445-430	425-410	405-400	395-390	385-370	<370

Please be aware that a C- is not an acceptable grade for graduate students. A grade of C counts toward a graduate degree only if an equal number of credits in courses numbered 5000 or higher have been earned with an A. In addition, the Bachelor of Health Science Program and Bachelor of Public Health Program do not use C- grades.

Letter Grade	A	A-	B+	B	B-	C+	C	D+	D	D-	E	WF	I	NG	S-U
Grade Points	4.0	3.67	3.33	3.0	2.67	2.33	2.0	1.33	1.0	0.67	0.0	0.0	0.0	0.0	0.0

For greater detail on the meaning of letter grades and university policies related to them, see the Registrar's Grade Policy regulations at:

<http://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx>

Policy Related to Make up Exams or Other Work

Requirements: Students are responsible for all course material, including reading all required materials prior to each lecture. The course is conducted in eLearning and all assignments, course lectures, discussions, emails and quizzes will be delivered in this medium. Students should also read your email and announcements in the course several times a week. Please note that announcements and emails sent out from the course site will go to your UFL email address (versus your Google, Yahoo, etc.), please check this mail at <http://webmail.ufl.edu> regularly also. Students should also reference the calendar in the course to keep up with weekly deadlines.

Make Ups: If you are unable to meet a deadline in this course for [approved reasons](#) and have given prior notification to the instructor when possible, you will be given adequate time to make up any coursework missed. All other missed or late work will receive a grade of zero. Make-up exams will be provided only in cases of excused absences or conflict during final exams per University policy and MUST be discussed with the instructor in advance. Make-up exams will differ from the regularly scheduled exam.

Please note: Any requests for make-ups due to technical issues MUST be accompanied by the ticket number received from LSS when the problem was reported to them. The ticket number will document the time and date of the problem. You MUST e-mail me within 24 hours of the technical difficulty if you wish to request a make-up.

Readings and Discussions: Students should read the assigned readings prior to viewing course lectures and be prepared to discuss the material through course discussions and assignments.

Quiz Policy: This course will be using HonorLock, a proctoring service for graded exams. HonorLock ensures exam integrity and enables the administration of remote online exams. All quiz sessions will be reviewed as part of your final grade. Instances of cheating or inappropriate behavior

will be considered violations of the Student Honor Code and will result in disciplinary action and a zero on the quiz.

Taking Quizzes: No pre-scheduling is required. You can take your quiz at any time during the designated window it is open in Canvas. However, I caution you not to wait until the last minute, because you will run the extreme risk of having the quiz close out automatically before you have had your full number of allowed minutes. The quiz will close out at the time set in Canvas regardless of how many minutes you have left to take the quiz, and you will not be able to finish.

- Please make sure that you review the course textbook, Canvas modules, and lectures before taking the quiz. If you have any questions or need clarity about course content, please feel free to send me or the TA an email, or we can schedule a Zoom meeting.
- Take time to think through each question. You will have a full hour (i.e., 60 minutes), so please use that time to read through each question carefully and to read back over questions you were unsure of the answer. It would also be important to take the quiz as early as possible so that you don't feel rushed if taking the quiz, the last day that it is available.
- Please plan on extra time to complete your quiz to accommodate connection time and any technical issues that arise.
- No human proctor will appear. You will take your quiz with your camera recording the entire session.
- Once you finish and submit your quiz, you will log out, and the quiz session will be audited at HonorLock.

Keep the following in mind:

1. You must use Google Chrome browser with HonorLock
2. When it is available, open your quiz in Canvas.
3. Click "Get Started" and "Install Extension".
4. Click "Add extension" and then "Take the Quiz".
5. Click "Launch Proctoring" and "Allow" (HonorLock to use your camera).
6. Take the required photo by clicking "Take Photo" and click "Accept" if there is a clear image of you on screen. Otherwise "Redo".
7. Take the required photo of your picture ID.
8. "Begin the Room Scan" by clicking and then scan the room with your camera. Click "I'm done once complete.
9. Take the quiz as normal.
10. Finish the quiz, and HonorLock will automatically save and close as well.

Quiz and Exam Rules

Rules related to quizzes.

- Quizzes will be administered as described in the course schedule.
- Quizzes are closed book, closed notes unless otherwise documented.
- You will not need paper, calculator, or pencil.
- Quizzes may be taken at a student's home. Students must plan to take their quizzes in an environment where other people are not in the room during the quiz.
 - You are required to pan your camera around the room and your desk and clear it of anything not allowed in the quiz.

HonorLock Set-up

HonorLock is a user-friendly system, but you must follow these guidelines to register and take your exams:

- No pre-scheduling is required. You can take your quiz at any time during the window it is open in Canvas.
 - However, I caution you not to wait until the last minute, because you will run the extreme risk of having the quiz close out automatically before you have had your full number of allowed minutes. The quiz will close out at the time set in Canvas regardless of how many minutes you have left to take the quiz, and you will not be able to finish.
- HonorLock will record and audit your entire quiz session.
- All recorded quiz sessions will be reviewed as part of your final grade.
- Students will need to have **Google Chrome**, a microphone, and a webcam in place during the quiz-taking period. An inexpensive webcam and microphone should work fine. Students will NOT be allowed to take a quiz without a webcam.
- Students will need to have some administrative rights on the computer they are using for the quiz to enable the proctoring service to function.
- It is recommended that students not use a wireless Internet connection for quizzes. Please consider wire connecting your wireless laptop to your modem for a more reliable Internet signal during the quiz. Inexpensive modem cables are available in most electronic stores and online.

Review the following HonorLock Student Information to obtain an overview of HonorLock:

- [HonorLock Student Proctoring](#)
- [HonorLock Student Guide](#)
- [HonorLock Student Preparation Checklist](#)

Support: Call HonorLock at 855-828-4004 for 24/7 support assistance. If applicable, other emergency numbers are available in your course site.

Policy Related to Required Class Attendance

Attendance Policy: Per the University of Florida, students are responsible for satisfying all academic objectives as defined by the instructor. Acceptable reasons for absence include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, and professional conferences), military obligation, severe weather conditions, religious holidays and participation in official University activities such as music performances, athletic competition or debate. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. Remember that, when possible (i.e., extracurricular activities, official University activities, and religious holidays), prior notification of absence is required if the student plans to be given an extension on assignments. Even though this is an online course, students are expected to log on regularly and participate in the course.

All faculty are bound by the UF policy for excused absences. For information regarding the UF Attendance Policy see the Registrar website for additional details:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

STUDENT EXPECTATIONS, ROLES, AND OPPORTUNITIES FOR INPUT

Expectations Regarding Course Behavior

Academic Integrity

Students are expected to act in accordance with the University of Florida policy on academic integrity. As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which includes the following pledge:

“We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.”

You are expected to exhibit behavior consistent with this commitment to the UF academic community, and on all work submitted for credit at the University of Florida, the following pledge is either required or implied:

“On my honor, I have neither given nor received unauthorized aid in doing this assignment.”

It is your individual responsibility to know and comply with all university policies and procedures regarding academic integrity and the Student Honor Code. Violations of the Honor Code at the University of Florida will not be tolerated. Violations will be reported to the Dean of Students Office for consideration of disciplinary action. For additional information regarding Academic Integrity, please see Student Conduct and Honor Code or the Graduate Student Website for additional details: <https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>
<http://gradschool.ufl.edu/students/introduction.html>

Please remember cheating, lying, misrepresentation, or plagiarism in any form is unacceptable and inexcusable behavior.

Online Faculty Course Evaluation Process

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

SUPPORT SERVICES

Accommodations for Students with Disabilities

If you require classroom accommodation because of a disability, you must register with the Dean of Students Office <http://www.dso.ufl.edu> within the first week of class. The Dean of Students Office will provide documentation of accommodations to you, which you then give to me as the instructor of the course to receive accommodations. Please make sure you provide this letter to me by the end of the second week of the course. The College is committed to providing reasonable accommodations to assist students in their coursework.

Counseling and Student Health

Students sometimes experience stress from academic expectations and/or personal and interpersonal issues that may interfere with their academic performance. If you find yourself facing issues that have the potential to or are already negatively affecting your coursework, you are encouraged to talk with an instructor and/or seek help through University resources available to you.

- The Counseling and Wellness Center 352-392-1575 offers a variety of support services such as psychological assessment and intervention and assistance for math and test anxiety. Visit their web site for more information: <http://www.counseling.ufl.edu>. On line and in person assistance is available.
- You Matter We Care website: <http://www.umatter.ufl.edu/>. If you are feeling overwhelmed or stressed, you can reach out for help through the You Matter We Care website, which is staffed by Dean of Students and Counseling Center personnel.

- The Student Health Care Center at Shands is a satellite clinic of the main Student Health Care Center located on Fletcher Drive on campus. Student Health at Shands offers a variety of clinical services. The clinic is located on the second floor of the Dental Tower in the Health Science Center. For more information, contact the clinic at 392-0627 or check out the web site at: <https://shcc.ufl.edu/>
- Crisis intervention is always available 24/7 from:
Alachua County Crisis Center
(352) 264-6789
<http://www.alachuacounty.us/DEPTS/CSS/CRISISCENTER/Pages/CrisisCenter.aspx>

Do not wait until you reach a crisis to come in and talk with us. We have helped many students through stressful situations impacting their academic performance. You are not alone so do not be afraid to ask for assistance.

Diversity Statement

I consider this classroom to be a place where you will be treated with respect, and I welcome individuals of all ages, backgrounds, beliefs, ethnicities, genders, gender identities, gender expressions, national origins, religious affiliations, sexual orientations, ability – and other visible and nonvisible differences. All members of this class are expected to contribute to a respectful, welcoming, and inclusive environment for every other member of the class.

Inclusive Learning Environment

Public health and health professions are based on the belief in human dignity and on respect for the individual. As we share our personal beliefs inside or outside of the classroom, it is always with the understanding that we value and respect diversity of background, experience, and opinion, where every individual feels valued. We believe in, and promote, openness and tolerance of differences in ethnicity and culture, and we respect differing personal, spiritual, religious and political values. We further believe that celebrating such diversity enriches the quality of the educational experiences we provide our students and enhances our own personal and professional relationships. We embrace The University of Florida's Non-Discrimination Policy, which reads, "The University shall actively promote equal opportunity policies and practices conforming to laws against discrimination. The University is committed to non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, gender identity and expression, marital status, national origin, political opinions or affiliations, genetic information and veteran status as protected under the Vietnam Era Veterans' Readjustment Assistance Act." If you have questions or concerns about your rights and responsibilities for inclusive learning environment, please see your instructor or refer to the Office of Multicultural & Diversity Affairs website: www.multicultural.ufl.edu.

Weekly Course Schedule

Dates	Module	Topics and Cross-cutting Issues	Readings & Materials	Discussions, Assignments, & Assessments
June 28 – July 4	Introduction to Public Health	Module 1: History of PH	Schneider Chapters: 1, 2	Introduction Infographic due: Wednesday, 6/30 11:59pm EST
		Module 1: Public Health Structure in the United States	Schneider Chapter: 3	Assignment 1 due: 10 Greatest PH Achievements Thursday, 7/1 11:59pm EST

				Quiz 1 due: Friday, 7/2 11:59pm EST
				Paper Topic Selection due: Friday, 7/2 11:59pm EST
July 5 – July 11	Epidemiology & Biostatistics	Module 2: Epidemiology Research Methods and Study Designs	Schneider Chapters: 4, 5, 6	Assignment 2 due: COVID-19 Wednesday, 7/7 11:59pm EST
		Module 2: Biostatistics and Public Health Data	Schneider Chapters: 7, 8	Final Paper Snapshot Epidemiology & Biostatistics due: Thursday, 7/8 11:59pm EST
				Quiz 2 due: Friday, 7/9 11:59pm EST
July 12 – July 18	Social & Behavioral Sciences	Module 3: SBS Research Methods	See Canvas	Assignment 3 due: SEM Case Study Wednesday, 7/14 11:59pm EST
		Module 3: SBS Theory and Models	Schneider Chapter: 14	Final Paper Snapshot SBS due: Thursday, 7/15 11:59pm EST
		Module 3: Health Disparities	See Canvas	
		Module 3: PH Program Planning & Evaluation/ Assessment & Surveillance in PH	See Canvas	Quiz 3 due: Friday, 7/16 11:59pm EST
July 19 – July 25	Health Policy and Management	Module 4: U.S. Health Care	Schneider Chapters: 26, 27	Discussion 1 due: Marijuana and Public Health <u>Initial post due:</u> Wednesday, 7/21 11:59pm EST <u>Replies due:</u> Friday 7/23 11:59pm EST
		Module 4: U.S. Health Care and Health Insurance	See Canvas	Final Paper Snapshot HSRMP due: Thursday, 7/22 11:59pm EST

				Quiz 4 due: Friday 7/23 11:59pm EST
July 26 – August 1	Environmental Health	Module 5: Environmental Health	Schneider Chapters: 20, 25	Discussion 2 due: Outbreak <u>Initial post due:</u> Wednesday, 7/28 11:59pm EST <u>Replies due:</u> Friday, 7/30 11:59pm EST
		Module 5: Infectious Disease	Schneider Chapters: 9,10	Final Paper Snapshot Environmental Health due: Thursday, 7/29 11:59pm EST
				Quiz 5 due: Friday 7/30 11:59pm EST
August 2 – August 6	Global Health, One Health, and Health Communication	Module 6: History of Global Health, Global Health Achievements	See Canvas	Discussion 3 due: Photovoice <u>Initial post due:</u> Wednesday, 8/4 11:59pm EST <u>Replies due:</u> Friday, 8/6 11:59pm EST
		Module 6: One Health: Coexisting of Humans, Animals, and Plants in One Environment	See Canvas	Final Group Project due: Thursday, 8/5 11:59pm EST
		Module 6: Health Communications: Social Media in Public Health, Mass Media and Various Technologies	See Canvas	Quiz 6 due: Friday, 8/6 11:59pm EST
